Community Power Representative – One Part-Time Contract Position Available

About Piapot First Nation

Piapot First Nation (PFN) is located northeast of Regina, with a population of approximately nine hundred members on reserve. Piapot controls lands which are comprised of over 19,000 hectares located throughout Saskatchewan. With an abundance of community programs, we take pride in our Nation, ensuring we maintain our cultural and spiritual teachings, which are of utmost importance in our daily operations.

Job Summary:

We are currently seeking a Community Power Representative to join Piapot First Nation. Reporting to the Housing & Community Infrastructure Manager & the SaskPower Indigenous Customer Care Relationship Manager. The Community Power Representative is responsible for being the technical support for the community to help reduce power use in the home, while being the conduit for the community to work with SaskPower and address common issues and challenges including high bills and payment plans. The Community Power Representative will be an ambassador of the Piapot First Nation and its members to SaskPower while educating SaskPower about Piapot First Nation culture. The candidate will serve as an ambassador of SaskPower in the community, promoting SaskPower services, policies and processes. The Community Power Representative must be a member of the community.

Responsibilities will include, but not limited to:

- Lead/participate in the installation of power reduction measures in the home
- Support community members in understanding SaskPower bills, payment options and facilitate the process where appropriate and feasible
- Support contract meter reading function in the community
- Grow the role into learning about building science and how to maintain homes for optimal power use
- Grow the role into learning about future community energy activities and become a foundational participant in developing and executing on the community energy plan
- Monitor, analyze and communicate emerging issues, risks and opportunities to community leadership and SaskPower relationship manager
- Prepare and maintain reports to demonstrate established processes and policies are being followed, planned activities are occurring and results are being achieved
- Assist in the development and delivery of related programs and support services
- Support SaskPower led community engagement activities, including community support and workshops
- Other duties as required.
